Imagine infamous music icons Frank Sinatra, Tom Jones and Elvis Presley coming together for a one-night concert performance that would swoon the audience from left to right...

Well, Frank Torino made it happen with his "Night with the Stars" performance at Parrot Key Tuesday night, and the magic will happen again very soon.

He brilliantly transforms into these well-known musicians, carrying the same tone and stage presence as the originals.

Audience members — especially the ladies — swooned over the stage and dance floor through the entire three-man set.

"Frank Torino is the greatest entertainer on the Beach," said Parrot Key staff member A.J. Wilson. "He always puts on a great show with a great turnout. The chicks go crazy for Frank!"

His vocals are excellent and the costume work is phenomenal. It almost seems as if these musical stars gave Torino access into their own personal closets.

The talented Island celebrity has been a popular musical catch on the Beach for several years now.

Coming up on his 20th

anniversary on Fort Myers Beach, Torino displays an array of musical talents, ranging from celebrity music figure(s) to M.C., D.J. and single entertainer.

His busy schedule proves his adaptability, performing/DJ-ing at Windjammers on Old McGregor Monday, Wednesday and Friday nights from 10 p.m. to 2 a.m. while Blackjack and Texas Hold'em games are going on; Thursday nights at Loggerheads, and Saturday nights at Parrot Key.

Torino's next scheduled performance for "A Night with the Stars" is scheduled Tuesdays, March 21 and 28, at Parrot Key.

After his long-time services on the Beach, it's not hard to believe that he has won the Bulletin's Best of the Beach award for "Best D.J." six years in a row.

"I'd like to thank all of my fans and friends for following and supporting me throughout all of these years," Torino said.

Besides public performances all week long, Torino also caters to private parties and events, weddings and fund-raisers.
